**Travel to Jamaica and within Jamaica**

**Booking flights:**

- From North America many airlines provide competitive rates to Sangster International Airport, Montego Bay
- From Europe and the UK major airlines and charter services provide convenient and competitive services to Sangster International Airport, Montego Bay
- From the Caribbean and Guyana, Caribbean Airlines provides daily flights to Kingston's Norman Manley International Airport.

Travel from either airport to Ocho Rios directly to the hotel is provided by coach at a cost of \$25/person. (approx 2hrs).

Our Secretariat will be willing to coordinate Chartered Coaches if the International Chapters can coordinate groups of 20 or more arriving at the same time.

**Taxis:**

For taxi services JUTA (Jamaica Union of Travellers Association) is a highly recommended service because it is the largest on the island and is well-regulated. Prices around Ocho Rios and its environs are approximately \$30/trip one way.

If using a taxi/cab make sure to use a licensed taxi with red plates. The concierge at the hotel is able to assist if necessary.

### **Car Rentals:**

**Jamaica is a big island and if you want to see things away from your resort renting a car is a possibility, but you should be prepared. The North Coast Highway, the main East-West corridor on the coast has been recently rehabilitated and provides for pleasant driving (be wary of the sudden changes in speed limits). In Jamaica there are few north-south routes due to the mountainous terrain. The main A1 highway is under construction at points. Roads can be very narrow, so be especially alert when going around bends. Remember that in Jamaica driving is *on the left*! Your U.S/ Commonwealth drivers licence is valid for 3 months.**
